Subject: Pre-K through 12th Grade School Building Project

School Board Members,

The Fr. Francis X. Bransfield Council 5046 Knights of Columbus in Holbrook has voted to endorse the Pre-K through 12th Grade School Building Project. The deplorable conditions of our buildings are a distraction to the learning process of the children of Holbrook. The time for a Pre-K through 12th Grade School Building is long past due.

Education is perhaps one of the greatest factors in social justice and is a large factor in promoting the dignity of every person. Education is one of the most important elements in the personal income of most families. The greatest stress on the majority of marriages is trouble with money. It is the Knights of Columbus patriotic and civic duty to keep families together for the good of the whole community. Therefore, we must provide our teachers with a safe and secure environment so they are able to effectively teach our children while keeping them safe.

We would request all Knights and their families to support the Pre-K through 12th Grade School Building Project. We would, also, ask our members to lobby their neighbors and friends to support the project.

Holbrook Knights of Columbus
Fr. Francis X. Bransfield Council 5046
