

To: Holbrook School Board
From: Board of Governors
William B. Dalton American Legion Post #137
Date: 11/11/11
Subject: Pre-K through 12th Grade School Building Project

School Board Members,

The Board of Governors of the William B. Dalton American Legion Post #137 has voted unanimously to endorse the Pre-K through 12th Grade School Building Project. The time has come to stop debate on this issue and build the proper school complex for the children of Holbrook. The Holbrook School Administration has clearly demonstrated that the buildings are in a state of disrepair beyond saving and that no other school district wishes to join the Town of Holbrook as an equal partner. Therefore, the only option is to build a proper facility and then revisit the notion of regionalizing.

Nothing is more important to the Defense of the United States of America than the education of our children. Members of our post have witnessed first-hand the enemies of our nation, whether it be Nazi Germany, Communist Russia, or Islamic Terrorism, destroy schools and murder teachers in an effort to control an uneducated and indoctrinated population. It is our moral obligation to our children to provide our educators with the facility and items they need to accomplish this task. We honor those who have fallen in defense of our nation when we do so.

We would ask all members and friends of the William B. Dalton American Legion Post #137 to support the Pre-K through 12th Grade School Building Project.

Submitted in Respect and Unity,

Board of Governors
William B. Dalton American Legion Post #137
