WALKERS AND RIDERS

Students will be entitled to transportation to and from school at the expense of the public schools when such transportation conforms to applicable provisions of the Massachusetts General Laws.

The School Committee will provide transportation for students as follows:

Kindergarten: All Kindergarten students will be transported to and from school.

Grades 1-12: * Students living one (1) or more miles from school.

Exceptions to these guidelines may be made at the discretion of the Superintendent. This will apply particularly to any student who must travel in a hazardous area to and from school. These students will be transported regardless of the mileage limits listed.

** The distance is determined by the shortest route from the home to the school.*
