COMMUNITY RESOURCE PERSONS/ SPEAKERS

Human resources are those individuals or groups who are invited into the schools to present supplementary information and ideas to the classroom course of study. These experiences afford students the opportunity to benefit from community viewpoints. Care should be taken in selecting these speakers so that they are individuals who respect diversity in thinking and varying views and who are not attempting to inappropriately influence points of view.

In all cases teachers must obtain from the appropriate principal permission to invite visitors for classroom presentation. Permission must be requested at least 48 hours before the scheduled time of presentation.
