TRUANCY

Students between the ages of 6 and 16 years of age are required to attend school regularly during the hours and terms of the school under the Massachusetts General School Law. In the event that a student cuts class or is truant, the student will not receive credit for class work missed and will be subject to disciplinary consequences contained in the Code of Conduct.

Truant students will be required to appear in school with a parent prior to readmission to school. Truancy will result in a zero for all material missed and make up will not be allowed.

Any student who leaves the school grounds without proper authority during regular school hours will be suspended from school. A parental conference will be required before the student is readmitted to school.

Adopted: June 4, 2008
